

**REMARKS**

Applicants appreciate the Examiner's allowance of the present application.

Upon review of the allowed claims, Applicants noticed a grammatical error in dependent Claim 50. Therefore, Applicants are correcting the claim as follows: "wherein one of the enhancement-type n-channel thin film transistors [[are]] is electrically connected with one of the depletion-type n-channel thin film transistors."

It is respectfully submitted that no new matter is being added, and this amendment does not affect the allowability of the claims. The amendment is merely to correct an informality in the claim.

Therefore, it is respectfully requested that this amendment be entered and allowed.

If any fee should be due for this amendment, please charge our deposit account 50/1039.

Favorable consideration is earnestly solicited.

Date: January 15, 2008

Respectfully submitted,
